Odor Control

ABOUT

One product. Smart daily comfort.

MIW Cat Litter focuses on a single hero product: disposable tray cat litter. The pack combines premium bentonite litter, a ready-to-use tray and a scoop, designed to make everyday cat care cleaner, faster and more practical.

Ready to Use

Open the pack and place the tray in the preferred area. No separate tray preparation is required.

Clean Routine

A practical disposable format helps reduce cleaning effort and keeps the living area tidy.

Single Pack Solution

Everything you need in one compact product: tray, bentonite litter and scoop.

Product Highlights

A compact 10L product designed for hygiene, strong performance and daily convenience.

100% Natural

Natural bentonite based formula for a safe and reliable daily litter experience.

Dust Free

Designed to reduce dust and support a cleaner home environment.

First Class Odour Control

Helps lock unpleasant odours and supports freshness in the living space.

Ultra Clumping

Strong clumping performance for practical maintenance and easy removal.

Premium Bentonite Litter

High quality bentonite granules selected for cat litter use.

TRAY

PREMIUM
BENTONITE LITTER

SCOOP

Tray + Scoop Included

A complete set in one pack for quick setup and convenient use.

Scent Options

MIWCat Litter is offered in clean, modern label colours with different scent alternatives for different customer preferences.

Baby Powder Scented

Soft and familiar freshness for everyday use.

Lavender Scented

A calm floral option for a pleasant atmosphere.

Marseille Soap Scented

A fresh soap-inspired scent profile.

Natural

A simple natural alternative for fragrance-sensitive customers.

Activated Carbon

Odour-focused option with activated carbon label concept.

How to Use

1

Open the pack

Remove the protective cover and place the disposable tray in a dry area.

2

Use with scoop

The included scoop helps daily maintenance when needed.

3

Replace easily

When the pack reaches end of use, toss and replace with a fresh tray.

NO CLEANING, NO REFILLING, JUST TOSS AND REPLACE

Everything you need in one pack

Mission & Vision

Sustainable quality for clean and healthy living spaces.

Mission

To provide customers with high quality bentonite products while making business processes efficient and sustainable. MIW aims to minimize environmental impact, protect natural resources and develop products that respond to changing customer needs.

Vision

To become a recognized brand in the cat litter sector by combining innovation, environmental responsibility and customer satisfaction with practical product solutions.
